Enroll Page

The screenshot shows a web application interface for an enrollment page. The top navigation bar is dark blue with a hamburger menu icon, the 'mx' logo, and the text 'English, United States' with a dropdown arrow. A left sidebar is also dark blue with a 'Home' link and a house icon. The main content area is white and contains a registration form. The form fields are: 'Registration id' (text input with '2'), 'Given name' (text input), and 'Family name' (text input). Below these are three radio button options for 'School': 'Business', 'Economics', and 'Law'. Then, three radio button options for 'Type of program': 'Bachelor', 'Master', and 'Doctorate'. The 'Wherefrom' section has three radio button options: 'I am from Overseas but now live in Brisbane/surrounding areas', 'I am From Brisbane/surrounding areas', and 'I am from Regional remote or interstate areas(within Australia)'. At the bottom of the form are 'Save' and 'Cancel' buttons. A vertical 'Feedback' button is on the right side of the form.
